Feel the vegan power with these fruit and vegetable facial sheet masks.

Peaches treat dryness by helping the skin retain moisture and therefore improving skin texture. They are a great source of Vitamin C.

Eggplants contains antioxidants which are important for slowing down skin ageing. They also help clear your system from impurities.

Carrots are packed with Vitamin A which helps flush out excessive oil and keeps the skin fresh and free of toxins.

Beetroots are high in Vitamin C, which can protect the skin from signs of aging, such as wrinkles. They also help reduce blemishes and skin pigmentation.

Loving skin care

IDC Institute is the skincare range of Aquarius Cosmetic, a company located in Barcelona and dedicated to beauty and personal care. We design and supply a wide range of cosmetic for both her and him, featuring bath, body, hand and skin care products, always accompanied by useful and stylish gifts for home.

Every year IDC Institute launches new and innovative personal care ranges. We keep up to date with the latest trends and fashions combining this with our finest ingredients and fragrances to offer highly original bath gift sets. Our aim is to build long-term relationships with our partners and work together to bring beautiful and quality products at competitive prices.

www.idc-institute.com

Introducing vegan products

We are all increasingly aware of the importance of taking care of the planet, it is our home and we need it. At Aquarius Cosmetic we believe in vegan cosmetics because they allow us to take care of ourselves in a healthy way using natural ingredients that protect and respect our body and the environment.

Look for the V-Label stamp

The V-Label stamp, granted by the EVU [European Vegetarian Union] certifies that a product is vegan. Vegan products do not contain derivatives of animal origin and they do not intervene in their production. All the products of our brand that include this quality stamp are certified as vegan products, assuring consumers total transparency and credibility. Multiple inspections with standardized criteria are carried out before granting this certificate.
